

ANSI's 100% Pure Micronized Creatine 6000™ is a special form of Creatine Monohydrate. Creatine Monohydrate is the #1 supplement of choice by bodybuilders, powerlifters and endurance athletes for enhancing strength, power and size.* Try ANSI's Creatine 6000™ and start feeling a difference.

DIRECTIONS: As a dietary supplement, mix one (1) scoop of Micronized Creatine 6000™ approximately (3g) with 8oz of water or with your favorite beverage. Take 1 - 2 times a day or as directed by your qualified health consultant.

NOTE: When taking 2 scoops on the same day, split dose, take one scoop in the morning and one scoop in the afternoon for best results. Two Scoops equals 6000mg (6g).
